

Captain Rob Parsons Biography
By: Cody Baker

Captain Rob Parsons is a 28 year old man who is defending our country and our right to live in a free society. Rob is a Captain in the Army. He is a member of the Operations Platoon for the 2-15 Field Artillery Regiment. He has been in the service for 5 years. He is currently stationed at Fort Drum, NY. He has also been stationed at Fort Benning, GA., as well. His first duty station was in Fort Riley, KS. He has now been deployed twice to Baghdad.

While in Baghdad, Captain Parsons is leaving behind a wife and two kids. In his spare time he enjoys biking and hanging out with his children. His favorite TV show is The Office, and he enjoys all movies (mainly the ones that his wife doesn't). His musical selection is less than typical but more than interesting. He listens to heavy metal rock, mainly Killswitch Engage and Pearl Jam. However, when asked whether he was musically inclined, he denied any musical talent what-so-ever. When asked about his favorite color, he quickly rifles off "green", then corrects himself and adds "army".

Rob was born and raised in New Jersey, and attended the University of Scranton, PA., prior to joining the military. In school, his favorite subject was history, he enjoyed reading and learning about the wars. As a child he dreamed of becoming a pro athlete, either in soccer or football. While over in Baghdad for 12 months, Captain Robert Parsons will be thought of not only by his wife and kids, but Potsdam Central High School as well. Personally, I would like to thank Captain Parsons for helping to safeguard the very freedoms we all enjoy.
