

PFC Justin Dancer Bio
By: Bryan LaMere and Ashley Mitchell

Private First Class Justin Dancer was born in Longhorn, PA. He has been in the Army for a year and a half. Fort Drum is his First Duty Station. His job in the field is in short a Computer Operator of the Artillery. This will be Dancer's first deployment overseas. The weapon of choice for this soldier would be the M-4.

One of his hobbies is watching NASCAR, with his favorite driver being Jeff Gordan. The music he enjoys listening to is a mix of Rock and Metal. When he joined the Army he had to sell his '89 Camaro. He has plans of buying the new Camaro when he returns home. PFC Dancers favorite food is chicken wings. He probably eats these while watching his favorite sports teams the Eagles and the Philly's.

His family lives in Pennsville, NJ. He believes that this experience is a very hard thing for them to deal with. He has two boys one is one year old and the other is two years old, and a wife. He has given up a lot to go serve our country and we will try to show our appreciation while he is in Iraq.
