

Specialist Aymar Ramos Biography

By: Julia Summers

My soldier was Specialist Aymar Ramos married, from Denver Colorado, born in Franklin Germany May 18, 1776. His favorite subject in school was math, Ramos speaks Spanish fluently. His childhood dream job was to fly planes. He has no children. He will really miss his wife the most during deployment. Ramos has been in the service for two years. His first duty station is Ft. Drum. The only other place he's been stationed was at Fort Gordon. He joined the army partly for the excitement and the adrenalin rush. Other reasons are because of age, standards, and family.

Ramos was hospital clerk before he decided to join the military. His job now is signal support specialists. This will be his first time deploying. He says deployment is very hard on his family. His plans after the service would include computer networking. Ramos's favorite color is blue. His favorite food is everything he can eat. His favorite sports team is the Pittsburgh Steelers. His favorite TV shows are all comedy. His favorite hobbies are soccer, football, and bowling. His favorite magazine is "Motorcycle & Tattoo." His favorite movies are Action, Family, Horror, and Sci-fi. Ramos's musical talent would be the saxophone. His favorite video games are racing and shooting. He has a motorcycle and his favorite vehicle is a 4by4 pickup.

Specialist Aymar Ramos has given up a lot of dreams too fight for his country. He is strong and every time a dream of his goes bad he keeps on going, following different dreams. He's strong and we are very lucky to have him as a soldier defending us.
